“ Randy was my uncle and I had spoke with him a few months prior. I was trying to reach out about this time and getting no answer. If someone could please reach out I would like to somehow stay connected in some way to his children or grandchildren. I'm at loss for words and only can say I will miss you Randy and I'm so grateful for the last conversation we had as it was the first one since I became a adult. R.i.p uncle Randy. Love your niece Wendi. 719 415 6650
