“ Ray was part of dental family and we discovered his passing when he was in our schedule for his next appointment with us. He came every 6 months to see us and always brought sunshine a smile and joy to the office. He will be missed very much!

“ To Rays' family,
I was a neighbor of Rays' for over thirty years...just down the alley. Although I am unable to attend his memorial I want you to know he was a great neighbor. We enjoyed the fruits of his garden often. He was generous and kind. Always there to help with advice to to lend a tool. He will be missed
