“ Sue, I am so sorry. I know how much you loved your Dad. He was your mentor, support and best friend. He adored you. I feel honored and blessed to have known him and have him as a friend over the past few years. I always loved being with him, in business and as a dear supportive strong friend. I will miss "PIC" Partner in Crime. I will miss his love and support like a father figure. He also brought us together as friends. I am so grateful for that. Always in our hearts for sure. Anita
