“ Bruce, Brian and families - sending thoughts and prayers of comfort at this difficult time. So many great memories with your family on 27th Avenue West. My parents treasured the friendship they shared with your folks.

“ Bruce, Brian and families.....Ray and Deloris were friends of my brother Tom and Phyllis Luskey.....We enjoyed their company at many gatherings over the years....and even though I didn't see them often, they never forgot me. May God Bless Ray and all of you. I just bet there may be a card game going on in heaven with all four of them participating. Our sympathy to all. Take care and God Bless!
