“ *Dear Ileen and Family My sympathies on the passing of Ray. I've been away from the Twin Cities for many years now, but still remember Ray from my years at Trinity. Ray always had a smile on his face, and words of encouragement whenever I returned to Trinity. Of course, I would also see him at the old Como yards tending to the model railroad displays. What a grand man.*

“ Norton Family: Please accept my sympathy at the death of Ray. As a teenager, I met Ray at meetings of the old Minnesota Rail Fans Association. He welcomed me to its ranks. I also visited him many times at his train shop in downtown Minneapolis. My love of trains took me to a 38 plus railroad career. Thank you Ray!

“ *RIP Ray. You were a great influence on me as a young kid in my early years at the MTM in the early/mid 80's. I enjoyed your stories and learned a lot about the local railroad history from you. Another one of the great people of my youth has passed on. You will be greatly missed.*

“ To the Norton Family. I have known Ray for about 25 years, he was always an encyclopedia of information on the Soo Line, he knew a lot of information about steam locomotives on the Soo, and several other railroads as well.
