“ I am so sorry for your loss. I have memories of Ray going back to my childhood when dad would bring me into Killmer on the weekends. Ray and Duane would take me to lunch at Rocky Rococo's across the street from the old Killmer building. I am thinking of you all and wishing you moments of peace and comfort.

“ Brian & Gin ~

We were so saddened to hear about Ray's passing.

Although it's been a while since we'd since him, memories of him at your wedding never cease to make us smile. Like when he joined in the sing-a-long with the piano guy in the Bahamas (surrounded by a lot of us ladies), effortlessly glided across the dance floor with Dar, or cracked wise with his one liners as our chauffeur back from the reception in Wayzata. Even looking at his photo here.

He was genuine, spirited, kind and very, VERY funny. We are very thankful to have had the pleasure of spending some time with him. What a guy!

May all of the great memories you shared with him help you and your family through this difficult time. We are so sorry for you loss.

And to the entire Palmer clan, our deepest sympathy.

*All our love,
Jill & Tom*
