“ *Our thoughts are with all the Smithknecht family.*

*We were enjoying getting to know Ray and spending time with him.
He had lot's of interesting stories to share.*

*He always made Beth Ann feel welcome and comfortable to join his
family. Likewise we told him, we thought he raised a pretty terrific
son, as we have come to Love having Zach be part of our family.
Ray seemed so happy at the wedding.*

Ray may you "Rest in Peace" always.

*Blessings to the family,
Steve & Jean Strelow*
