“ Grandpa, Be free from the pain that you felt before. Don't worry about us, we are stronger than ever before. Your legacy will live on forever, I'm sure. Because what you helped create will carry you more. I held your hand, I was scared, your hand still warm. Be free from pain. I'll never forget; when you said "I love you!" Good-bye; but just for now, I'll see you later!

“ *Becky, Josh, Lizzy & Chloe, I am so sorry to hear of your grandfathers passing. Losing a loved one is hard, expecially when they've lived such a full life of 89 yrs. I will pray for your family and other family members. Remember you will always have memories of times with your grandpa - he is in heaven now watching over you all. God bless and take care.*

“ We are gonna miss you so much! It helps to know you wont be sick anymore and grandma and you can finally be together again. It meant a lot to me when you said you loved me, it was something I was always afraid to say before. And it is the single most important word to hear. Thank you and I love you!
