“ I'm currently living in a house she used to live in and I found a car title with her name on it and have kept it with me every day, this woman saved my life and I'm so blessed to have something of hers with me

I am trying to get ahold of Ashley Anna just to check up on her well being. I am sorry for being a pest but I am worried about her and don't know how else to reach her. Please send me a response or something
