“ *I'm so sad to hear of Reed's passing! We were in the same gang of friends 35-40 years ago, hanging out every weekend, playing poker and doing the usual stuff kids did back in the '70's. I've seen him much less frequently since those days, but I've always enjoyed the conversation immensely whenever I did! (every few years) I even ran into him once when we were walking around White Bear Lake and he was tending a garden there! Wish I could have hung out with him more! He will be missed!*
