“ *Dearest Ones: I was very privileged to have had Regina as a student in class. Though no longer of this corporeal world, her spirit will continue to light our paths, sparkling with joyous beauty in every ray of sun, in the brightest of stars, and in the tiniest and most delicate of dewdrops. As James Whitcomb Riley said, "She is not dead...she is just away." Love and many blessings, and thank you for giving all of us such a beautiful person!*

Regina obviously has made a huge impact on people's lives and she will live on through all of our memories. I remember one time when I was little and used to come over to play, Regina had did something new with her hair and she was so beautiful that right when I got home I did my hair the same exact way to try and be like her. Even though she was a few years older than me she was always so sweet to me and Cory, and I thank you for that because you raised two wonderful daughters. You will be in my prayers, God bless.

“ Regina was one of my favorites on the Blackhawks. Our team was very close - we were more than teammates - we were like sisters. We spent more time together than we did with our own families sometimes, so to lose one of them, any of them, and especially Reg, leaves a huge hole in my heart. All I know is the world just lost not only a great teammate and friend, but a great person. The only thing that I can hold onto right now is faith - that God had a greater plan for her. As my mom told me yesterday - God only takes the good ones...but in this case...He took a great one. She will forever be in my thoughts.

“ Regina was a close friend and a great teammate, and by far the nicest girl I have ever met. Her energy and passion in everything she did on a daily basis, inspired everyone around her to do better and push farther. She will be loved and missed deeply, but the fond memories that were captured of her will live on through friends and family forever.

“ Lyle, Kathy and Rachel, my thoughts and prayers are with you. Though I've not seen Regina in many years I remember my mom and dad bringing me and Eric over to your place when we were younger and I remember the little girls with the curly hair and running around your backyard. I also attended the U at the same time as Regina and remember reading about her soccer skills in the U paper. I know how proud you are of her and hope you find comfort from those who love you.

“ Lyle, Rachael, Kathy....Although I never had the pleasure of meeting Regina personally, I feel like I knew her through stories Kathy told at work. What an amazing life she lived in just 25 years. It is hard to put in to words the sympathy I feel for you. You have a ton of people ready and willing to help in any way that we can. I will keep your family in my thoughts and prayers.
