“ I have some very fond memories of Uncle Regis and Aunt Ruth out on Big Cedar Lake for Picnics at Aunt Lucille's. He was always an active participant in whatever sport or game we, the kids, were playing on the lake, and made us feel like he was one of us - rather than hanging with the adults. He was a very gentle man and defined that lifestyle.

We'll miss him!

“ My godfather and a great guy. Every Christmas, I could always count on one more gift under the tree than my siblings. Mary Jane & Ned always made me send a thank you note, so I have my Uncle Regis and Aunt Ruth to thank for training me in proper etiquette. -
