Not sure how you knew my dad but I've been looking to move to Sarasota with my son Jaxon... Reid's grandson... i'd love to touch base and learn more about my father who I wasn't allowed to learn about because of the abuse of my mom and stepfather.

“ *Till We Meet Again my Friend...I've known Reid since we were 15, and throughout all that time I've always known him to have strong convictions and a very good heart. Even when things were down for him, he found a way to share his love and caring to help others where he could. Out of High School we travelled through the USA. Now he is on a new experience. You'll love your new journey my friend, and this time there is no pain. Till we meet again my friend.Mike Ludwig*

Hi Mike, I am Reeds baby girl his second daughter, Laura Schneider and I gave birth to his only grandson Jaxon and Hultengren and I'm just so grateful that you got to spend time with Jaxon before he passed. I don't know anything about my parents and I'd love to learn everything about my father and not through my mother's eyes if possible. I'd love to just hear the good things about him instead of what upset my mother if you're willing to share that I'd be so grateful.
