“ *My heart goes out to you Barbie and Ardie, and the entire family. I have few and vivid memories of your mother while growing up, but she was a very special woman and mother to you. My thoughts are with all of you...Love, Maria*

“ Dear Renate. I have missed you so much the past few years, now I will miss you more than ever. We can never have coffee together again on your deck or in your dinning room table. I wanted to be with you and help you in what ever I could. We were such good friends for so many years. Renate you were a very kind and generous and beautiful human being. I will always remember our friendship and how much we talked about flowers. You had the best flowers and house plants, you took such good care of them. It is hard to believe your gone. My dear Renate rest in peace my dearest friend and neighbor. Again I will miss you very much. I promise you that I will look after your two lovely daughters and grandkids when ever they need me. Love, Athena.
