“ He could be our friend, brother, father and an uncle. But We choose him as "our uncle Rene" He is the Youngest among the seven children of Marcelo and Martina Corpus Barrozo. He was only 10 yrs old when grandpa Marcelo passed. Grandma acts as a mom and dad to these underage children so she gave each one a responsibility to do. At a young age uncle Rene learned to become a sales person delivering dinner rolls house to house. That's where his training started. Trained by her own mom! The years passed by he still want to pursue a degree in Business where he enrolled at the University of Luzon. But because he work at the same time conflicting schedule arised. He stop going school and he became a full pledge sales rep from several companies where he is good at it. Uncle Rene loves all his nieces and nephews (I'm one of them) I visited them in Minnesotta in the summer of 1997 Martina and Rico was still in the elementary grades back then. But seeing our cousin for the first time was so exciting and fun. I will always cherish those moments we have. Uncle loves to travel and he did he came to visit us in Hawaii in the fall of 2015. We talked about life and death there he mentioned that when he's time comes to go Home with the lord he wants everyone happy. It's okey to be sad but he said be "HAPPY". Now that you're gone our holidays and get together won't be the same no more. You lived your life with so much qualities that's the reason you are loved by many. Good bye Uncle until we meet again. Rest in love and Peace We will always Remember you! ALOHA A HUI HOU!!
