

Renee Beatrice Fritz

November 2, 1971 - February 12, 2024

Renee Beatrice (Jacks) Fritz, 52, of New Brighton MN passed away suddenly February 12, 2024 after years of struggling with heart issues.

Renee was born on November 2nd, 1971 in Harvey, IL. She has lived in MN since 1978. She was an adorable light in everyone's life from day one. Renee navigated life with grace and love. She taught us how to be kind, find humor in everything. She LOVED Prince, dancing and singing and she was in her element. She also encouraged others to join in. She loved going to concerts, Tina Turner and Michael Jackson. Renee was the glue that bonded and held our family close together.

We will remember Renee for her loving soul, her extraordinary sense of humor, and her unimaginable optimism. She was truly an angel in our family and we are lucky to have had time with her. I know she is driving her red corvette up in heaven with her dad. Although she may physically be gone, her love that is embedded in each one of us remains.

Renee is survived by Mother and step-father, Marie (Dale) Hanson. Her sons, Zachary (April) Olson and Lucas Fritz. Her sisters, Jennifer (Ron) Jacks and Rio (Liz) Hanson.

Preceded in death by Father, William Jacks. Grandmother, Beatrice Jacks.

Brother, David Jacks.

We love and miss you terribly Weenie! You will stay with us forever and always. Love, Mom, Dad, Wacky, Luke, Pee-pee and Furniture.

Celebration of life event will be held at a future date.

“ I never thought I would have to breathe on this planet without you. I'm glad I always answered your calls, texts, and ended each one with 'I love you'. I will take care of everyone for you. Try as best I can. You were the exact definition of a loving older sister. You were so much more to me. You still are. I love you so much and miss you endlessly. Love, Pee-Pee
