“ We were saddened to hear of Dave's passing through Don Peterson. I was Dave's best man at his wedding and we have exchanged phone calls however not frequently enough, but I did know of his fall and his move to a care facility. I last saw him at the 2015 reunion along with Sharon and the Petersons. I will always remember my dear friend. We extend our sincere condolences.

“ It was a beautifully brilliant fall day in October when Reverend Guenzel married us in the back yard of the Schmidt's former home in Bloomington. That day it dropped down to 36 degrees and there were last minute preparations as everyone bundled up to witness our vows... I will always remember that day with joy because of the love that was so evident by the people who surrounded us, but especially the kind hearted man of God who pronounced us as man and wife. It is with joy and sadness that we say goodbye to his time on earth, knowing that one day we will celebrate together worshipping our Creator. Lifting our hearts and prayers for the family left behind. Sincerely, Jordana and Jeff Schmidt
