“ We heard of our Pastor's "graduation" when we were away camping. We would have loved to come and pay our respects and visit with his family. He was a very special man in our lives when he was here in Amery. I remember his beautiful voice, his inspirational teachings, his love for hot coffee. He would have us pray the new year in while an Swedish hymn would be playing on a record player. Of the 4 pastors I have served under, he is the only one who had all his children continue in the faith. A regret of mine is not coming over to visit Pastor Roy and Joan these past years after he left Amery. He tended to run late for events and he used to say that the only time he would be on time would be to his funeral and even then, he would be the "late" Roy Johnson". I have been praying for His Grace to be with all of you since I heard of his passing. On another note, he will be rejoicing and singing praises to the Lord with Dave Wilcox who died last Thurs. after a short illness.
May His Grace be with you all.

“ We are sad to hear of the death of Roy. We remember when he was at Elim, and enjoyed both him and Joan. May the Lord be close during these hard times.
