“ I remember our first get together 60 plus years ago when you came to visit our family as if it was yesterday. Many years later you came back to visit and my dad (your cousin) John (JJ) Nelson told me to go over to the old house and get the picture of Uncle Henry out of trunk and give to Reva. I can still see the smile on your face as you looked at the big globe glass oval framed picture. You guys came and visited a few more times and then my dad died in 1968. You and Lloyd and some of the kids came back a year later and then it was just a phone call now and then. Then we connected again in Bemidji and were fun times to be had by many. Blessed be the memory of cousin Reva. God bless her children and grand children.

“ Aunt Reva, you will be missed by many! I know that the last few years since our having Family Reunions, which you enjoyed immensely, makes us all wish that we would have the reunions a whole lot sooner. We missed your presence at the family reunion last year and will for years to come. I know and understand what a hard-worker you were. I have enjoyed your feistiness. I remember that you and Uncle Lloyd would come every Memorial Day Weekend to place floral arrangements on the graves. Our thoughts and prayers go out to the Ruh Family.

“ *Reva was a very special little lady and we enjoyed visiting with her about her years growing up with her family. She always had stories to tell and share. Reva always enjoyed coming to our family reunions and meeting new family members. Reva loved her family and it seemed she always was a good mom and tried to keep her family close and cared for. She will be missed but we know she is at peace and out of pain so that is a comfort to us. Rest peacefully and we will cherish our memories with you Aunt Reva. Love Bill and Barb Hensley*
