“ I was very saddened to learn of the passing of Reynold. I have such fond memories of him. We were fortunate enough to visit him at his home New Years week 2013. His sharp accurate memory never ceased to amazed me. His facts were always right and he was never afraid to stand his ground. He had a good run, lived an honest life and spent most of his retirement years along Milinda Shores doing what he loved, taking care of his flowers, feeding & watching birds, fishing for northern pike, visiting with neighbors & friends. He always chuckled about a recent visit with Bob at the Riverside. Good bye Reynold , old friend, you were my best neighbor ever. ...George Nasman 12-30-13
