“ I know it is 2 and 1/2 years late but I just saw the obituary.I went to high school with Ronda and we became friends. I was friends with her brother and had lost touch over the years
I was so sorry to hear of her death.

“ To Rhonda's family and friends. I work for Guy Carpenter in the Atlanta office. I just want to give my sincere condolences to all of you. We here in the Atlanta office will miss working with Rhonda. I will miss speaking with her and sharing stories about our lives. She was just an outstanding person. It seems words are so inadequate when trying to describe the relationship with Rhonda. I loved working with her and will miss our long conversations both personally and professionally. She shared with me what an amazing family she had and especially her husband. I know you will all miss more than words could articulate. You are all in my heart and in my prayers. God Bless
