

## Ricardo "Tito" Alaix Young

January 16, 1957 - January 9, 2021

Tito was born in Spain on January 16, 1957 and was the second oldest of 10 children. He was a great son, brother and uncle.

He is preceded in death by his brother, Patrick Young; brother-in-law, Tom Lavelle and parents, Richard and Montse Young. .

Everybody loved Tito and he was the life of the party. He was easy going; had many passions and was generous to a fault. Tito loved spending time with his nieces and nephews, and they all gravitated to him at family gatherings. He was a very good golfer and he enjoyed playing golf with family, friends and work leagues. He especially enjoyed his annual trip to Spain to visit his aunts, uncles and his Spanish cousins. He had an almost regal feeling about his Spanish heritage, and he spoke his own special brand of "Spainglish". In the past two years Tito was inseparable from his K9 companion Buck. He spoiled Buck in every way and Buck was truly this man's best friend. Tito had an infectious laugh, a contagious smile and great sense of humor. He will be missed by all and especially Buck.

“ *Tito was my uncle. I will always remember how his genuine interest in others, kindness, and sense of humor made him such a joy to be with. His obituary and my aunt Cathy's words have described him perfectly. Thank you so much to Saint Rose of Lima for providing the livestream so that those of us who can't be physically present can celebrate Tito with our family and friends.*”

“ *I first met Tito through his lifelong friends, Cyril and Lynne, on a St Patrick's day many years ago. What fun we had that day and every time time we all got together with Julie and Ken. The 6 of us together would talk about anything and everything and I will never forget all the times we laughed until we cried!*”

*Tito's light will shine on in the memories I have of his smile, his laugh and the many fun times spent together. His friendship was a special gift.*

*Rest in Peace friend.*

“ I met Rico when he started at Wip in 1996. He was a good worker and helped me learn his techniques in painting aircraft. Spending many days along side of him and becoming a good friend and his normally smiling face and laugh that was funny in itself was a great part of him. Of course if he was irritated by something you did you sure well knew it but he always circled back to tell you he was sorry! He spent time to get me interested in golfing after work at Goodrich. His swing was effortless. I bought his old set of clubs and still use them at our Wipaire tournament. I had the pleasure of golfing one time with his dad as well. They can golf together anytime now! RIP bud.
