“ Tracey and Family, I know I speak for the entire crew of police officers, that work security for Murphy's, Dick is going to be missed . Dick was always there for us no matter time of day it was. Every time I saw Dick he always had a smile on his face even if it was midnight for some alarm. The fact that he took time to get to know all of us was really nice and showed what a truly caring person he was. Our prayers go out to you.
