“ To the family of Richard W. Butts Sr. I do not know you personally, I want to say I am sorry for the loss of your loved one in death. It is so painful that the enemy death claims the lives of those we love so dearly. However Almighty God promised to remove the tribulations and the brevity of life. Reading and meditating on that promise has given strength and a brighter look to the future. Revelation 21:3,4; Psalms 37:10,11.
