

Scott Cords

April 3, 1956 - January 27, 2022

Scott Cords, age 65 of Ramsey, passed away surrounded by loved ones on January 27, 2022.

Scott was an outgoing, energetic, go-getter that would do anything to lend a hand to family or friends. Scott had many hobbies including being a skilled woodworker who would tackle any project big or small. He loved tromping through the woods on his four wheeler any chance he could get. Scott loved to brew his own beer in his home brewery and loved to share his creations with everybody.

Upon retirement from BAE systems, as an IT Specialist, he continued to stay active in many organizations. He was very civic- minded which led him to pursue the role of an election judge for the City of Ramsey for many years. He also joined the City of Ramsey Economic Development Association (EDA) and loved every minute of it. He held the position of treasurer in the BPOU (Basic Political Organization Unit) for the City of Ramsey. However, his main passion was volunteering for TLC Toys. This is where he devoted his energy most to fundraising, making toys, delivering toys and any other tasks that needed doing. In addition to his busy life, he still found time to be the best son, husband, father, and grandfather. He will be missed dearly.

He was preceded in death by his father, Richard Cords. Scott will be deeply

missed by his loving wife of 42 years, Cheryl Cords; daughter, Patty (Sean) Jansen; grandchildren, Mya, Hank, and Mack; mother, Lorraine Cords, siblings, Marge Hanson and Alex Cords; other loving family and friends.

Memorial service will be held Tuesday February 8, 2022 at 11 AM with visitation one hour prior and an evening visitation Monday February 7, 2022 from 5-8 PM, all at Faith Lutheran Church, 11115 Hanson Blvd. NW, Coon Rapids. In lieu of flowers, memorials preferred family will donate to TLC toys in Scott's memory.

“ I am very surprised and sorry to hear about this. I worked with Scott for about 4 years with Metaphase. He became a great co-worker in our joint efforts to deploy Product Managers for our “ESP” Enterprise Software Development program I ran. I had a number of great conversations with Scott over the years and visited with him a number of times at his home in the late 90’s, to 2000. Please convey my regards to his family and wife. Please, if someone from the family reads this, contact me at the email address here: jbipes@gmail.com

“ Cheryl and Patty,
Scott was such a amazing person with an abundance of patience and kindness. Every memory I have of spending time with your family, Scott was nothing but helpful, fun, and kind. This speaks volumes to his wonderful character as I'm sure it wasn't easy to always have a few of us teenage girls along on outings and trips. He will truly be missed.
We are here for you.

“ Cheryl and Patty - I'm so sad for your loss. Scott was such a man of talents! Although I never could quite wrap my head around his love for snakes. I was fascinated but mostly impressed by how he built all those houses for them! Scott could build anything! My thoughts are with you and I'm praying you get through this challenging time with the love of God and good friends around you.
