“ My name is George Pfeffer and I am the Rangemaster at the Burlington County NJ Police Firing Ranges. Dick serviced our ranges for almost 20 years. Over that time He became a true friend. I so looked forward to seeing him each year and catching up on how we were both doing. His intellect was far above average as was his work ethic but even more than that is the Man that he was and you all know what I'm talking about. To his partner Mary Beth and his family my most heartfelt condolences also to Rick his long time coworker. Love you Dick, wish I had called you when I was thinking about you last month. George
