

## Richard William Delapp

October 4, 1933 - August 31, 2025

Richard "Dick" DeLapp, 91, passed peacefully on Sunday afternoon, 08-31-25. Dick grew up in South Minneapolis, received his degree in Architecture from the University of Minnesota & spent most of his career designing & managing building projects at Ellerby Becket. His favorite project was Universal Studios Amusement Park in Orlando, FL, where he was the lead architect.

Dick met the love of his life, Margaret Wigley, in the mid-1960s & they were married on 07-06-68. Together, they traveled the world, enjoyed the company of family & friends, enjoyed their beautiful home in Golden Valley, and raised generations of wonderful cats!

Dick will be missed & remembered by his wife, Meg, his nephews & nieces, Tom Wigley, Mike & Barb Wigley, Kate Wigley & Blake Meier, Allie Wigley & Lizzy Wigley.

# Tribute Wall

“ Sorry to learn about Dick's death. I last saw Dick in hospital recently, however, I have known him, worked on projects with him, attended many gatherings and more recently golfed together for over 60 years. Dick was a great friend!

*Rollie Johnson*
