“ Hello Mrs Hedenstrom, David, Lynn, Karen, Mark and family. sorry to hear about the passing of "Dr Hedenstrom" as I fondly remember. My husband David and I are in Nestor Falls closing up our cabin for the year today, thinking about all of the great times we had growing up at the cabin with all of you. I wish I were there today to see everyone. I will be thinking of all of you.

“ *My sympathy to your family. My parents Gerald and Audrey Wagner enjoyed knowing Dick and Charles, and had the greatest respect for them both. I knew Dick because my parents did, but I also knew him because of his great love of Nordic skiing and racing. I would often see him at races, and skiing at Como. He always took the time to say hello, and to ask about my parents. He was a great skier, physician, and role model. I am sorry not to attend his funeral, my dad passed away the night before him, and my dad's funeral is an hour after his. No doubt my parents would be there honoring him if they could. May peace be with you in knowing what a great man he was and the great life he had.*
