“ We send our deepest sympathies to Dick's wonderful family, and MANY friends! We were blessed to know and work with Dick (and Margaret) for nearly 30 years - true friends! We last talked with Dick by phone on the evening of May 5th, when he called, "just to check in", which we regularly did with one another. We talked for maybe 20 minutes. Dick was a friend, indeed, but also a mentor, confidant and an incredible human being. Dick's clear-eyed insight, and tremendous sense of humor, made him a real treasure. Truly, we shall miss him greatly!

In Ecclesiastes, it states: "A faithful friend is the medicine of life".

We wish Dr. McGrath, Godspeed! Our prayers are with him, and we are confident that he is "up there", right now, getting caught up with Margaret!

“ *I am saddened to hear of Dick's passing. It was my pleasure to serve as the IDA President along side Dick as he was finishing his unprecedented second consecutive term as ASMMA President in 1992. He made the year a breeze and I will fondly remember his brilliant sense of humor. Rest in peace Dick*
