“ *My sympathy to all of Dick's family. Saw his obituary and was saddened to realize someone I grew up with passed away. It has been a long time since we were doing fun things together with many guys from our Northside neighborhood. Lives take different paths and, unfortunately, we end up in different places and lose track of friends who meant so much. Please know you are in my thoughts and prayers. Don Johnson (Bob may remember me).*

“ *I worked the same shift with Dick on the north side. He was quick with a laugh and a joke. I was a young troop and he made the job fun. Over the years he has been one of the guys who has stuck in my memory.....*

“ *Denise Jim Jeff and the entire Thorson family, I'm so sorry to hear of Dick's passing I've thought of him often over the years, Dick always treated everyone with the utmost of respect and kindness. Dick would often see me walking around the old neighborhood stop and ask if I needed a ride somewhere or if he could help in any way. I'll Always Remember Dick fondly he was always a positive role model for me, someone I always respected and looked up to growing up on Minneapolis's north side. Know your all in my thoughts and prayers as you greive, my best to Dick's family and friends. ~Mike Smith, Orono Minnesota.*
