“ I went to grade school with Richard at Assumption in Richfield. In the 5th grade the teacher invited anyone with a talent to show the class. Dick brought in a full drum set and played wipe out for us. Once we graduated 8th grade we were all sent to different Jr highs. I ran into him after he graduated from Brown institute and became a dic jockey. I heard he became very successful and respected in the business. Hats off to you Mr. Dick Eurvasti. God's got You.

“ To Dick's Family, my condolences. Went to high school with Dick and have only seen him a handful of times since then. High school connections last a lifetime. Over the years hearing him on the radio and learning about Super Radio--still feel connected. Dick, Rest In Peace in Rock and Roll Heaven!

“ *The man next to me in this photo is Dick Ervasti. I knew him on this earth for a total of 2 or 3hrs over two chances to speak with him. This is the very short version of my exchange with Dick. I am introduced to him at a mutual friends house and we have a 20 minute conversation finding our lives had run parallel and we had many mutual friends and experiences in the music world. Our conversation ended and he wandered away but he stopped and turned to me and said "I have something that I think your supposed to have" Turns out that something was a 1995 Gibson ES-335! and just like that....he gave me, a virtual stranger something he "felt" I was supposed to have.....and he had never heard of my connection to my original 1963 ES-335! Dick just passed away and I hope to pay his legacy forward. Thank you Dick for passing thru my life!*
