“ As many of you know, a bunch of us worked with Rick in Medica's Learning and Development Department.

Rick was a fabulous, knowledgeable trainer, and the ringleader of a group of bright, talented, funny and unique people who became like a second family. Needless to say, his passing breaks our hearts more than we can say.

I ,for one, will miss his unmatched wit, his obscure, erudite cultural references and his brilliant opinions and commentary on a wide range of topics - politics. music, literature, films, baseball, history, etc. And we'll all miss his wonderful stories, his compassion for the less fortunate, and his big, loving heart.

The world is a poorer place without him.

Dear Fedje family,

My heartfelt condolences on the passing of Rick. He was a genuinely nice person and maybe the inherently funniest, wittiest person I have ever known. He will be missed.

Sincerely,

John Buan
