“ Both of us graduated from Princeton High School in 1953 with Dick (or "Fritz" as he was affectionately known in high school) and have fond memories of his quiet smile and consistent friendship. He was active in many sports and always was known as a great teammate and friend. We enjoyed sharing high school memories and many laughs when he joined us at our 50-year class reunion in 2003. Our thoughts and prayers are with all of your family in your loss.
