Anyone and everyone who ever met "Goldie" can relate a unique and lasting memory - my favorite experiences with Dick were "jogging/walking" early AM at a dental meeting and then having toast with peanut butter at breakfast. Kind, considerate, friendly and more was Goldie. May God bless you, Carolyn and Melissa! Love from HotRodHundley

“ *Dear Carolyn,
I was so sad to hear of Dick's passing.
I competed against Dick for several years in dental equipment sales and was certainly aware of his strength in the market. But I was also aware of what a nice guy and consummate gentleman he was. Plus, he was always talking about "the girls".
Rest in peace.
Sincerely,
