“ *May God bless you Dick. I worked with Dick at Ultimate Electronics and he was the one guy you could always count on to put the customers needs ahead of everything else he was doing. A stand up guy and I am proud to have known him. Rest in Peace. -Nick Hufford, Eden Prairie*

“ *Dick was a friend and a good neighbor to us for the last 20+ years. For the entire time we knew him, he clearly placed his greatest priority on his family - his wife, his son, and later his grandchildren were the greatest importance in his life. Dick was a very hard worker, and was willing to lend a hand to any of his neighbors. So many times over the years he came to offer assistance to us with various tasks around the lake, and he was always good humored and energetic. We always appreciated it when he would stop by to chat and keep us updated on what was going on with him and his family. He had some very keen insights and he made us laugh. We will miss him much. We pray for his family. God bless you. Roger and Rita Halford*

“*Dick was a great guy. His sense of humor and irony always brought a smile to my face. He was a great tech and was devoted to excellence. He was a consummate story teller and could always put a humorous twist on even the most bizzare customer encounters. Rest in peace Dick wherever you are.*
