“ Dear Hagen family,
I am so sorry to hear of Dick's passing. No doubt he is organizing something around diving and training now and enjoying the fun!

I first met Dick through an old friend of his, Tom Powers. The two of them made a great "tag team" for public safety dive education. Dick did some training for us at the Carver County Sheriffs Dive Team in the 90's. He was excellent and we all learned a lot from him.

I very much enjoyed his direct approach and no nonsense style. The subject matter demanded it and Dick shared with us the best information and experiences he had.

All the best to the Hagen family and many thanks for sharing Dick with all of us in the public safety dive community. I know it took a lot of time to do all that he did.

Dick will be missed!
