Johnson, Richard C. "Dick" age 90 of Edina, passed away on 9/13/20. Dick, the youngest of nine children of Hilmer H. and Alma S. (Swanson) Johnson, was raised in south Minneapolis.

He graduated from Roosevelt High School at the age of 17 and enrolled in the University of Minnesota. After one year, he joined the U's National Reserve Officers Training Corps (NROTC) and became a Midshipman. He was given a scholarship which required four years of Naval Academy-like training. After Dick's active duty he served in the Marine Corps Reserve at the former U.S. Naval station (Twin Cities) and he achieved the rank of Major. Although ready, Dick was not called up for Vietnam.

After seven years at the University of Minnesota, Dick earned a BA, with a major of Economics and a degree of Law Juris Doctor, Phi Delta Phi.

Dick practiced law for over 55 years in Minnesota and Washington, D.C. and while in corporate practice served as Vice President, Secretary, and General

Counsel of Red Owl Stores, Inc. He was also active in the organized bar, holding leadership positions with the Minnesota State Bar Association and the Federal Bar Association. He served many years as a part-time Hennepin County Conciliation Court Judge and as an arbitrator of the Hennepin District Court.

Dick had a great interest in government and politics. For 36 years, he was active in the Republican Party in Minnesota and Virginia. While working in Washington, D.C., he served on the 1988 and 1992 committees of the presidential campaigns of George H.W. Bush. He also served for many years on the Edina City Council.

Dick was an interested and active person and was a member of Christ Presbyterian Church, the Edina Historical Society, the Minnesota Institute of Arts, the Minnesota Landscape Arboretum, the Senior Tennis Players Club, The Skylight Club, the Smithsonian Institute, the Southdale YMCA and the ULLR Ski, Bike and Social Club.

“ My condolences to the family. He was a special friend and we shared many dinners and conversations. He was so loving of his family and his church and told me many times how wonderful his kids were taking care of him. So sad he had to leave this world. Treasure the memories. I know I miss him.
