“ *Paulette and all the family,
I am so sorry I was unable to attend visitation/service. Our 5th
grandchild arrived last night and I had his 2 siblings to take care of
for the evening and today.*

*Rick was a great friend over the past almost 20 years - an honest
contractor with all the work he did for us at our house. I know he
was a very caring man - he always had stories about the kids/
grandkids - looked forward to September and ALL the birthdays -
even his! And the best story of all was the little minx destroying the
winning scratch off tickets. His face beamed with pride when he
showed me the picture of the last family trip "up north". My thoughts
and prayers are with all of you - may your memories and all of your
families help you through this time - he will be missed.*
