“ Dear Leslie and family,

*This note may be a "re-run" but I think I lost the first one I wrote when I went off page so I'll just do it over again! I did want to send my condolences to all of you, just learning of Uncle Dick's death on line while doing my genealogy research. I last talked to him after mom died which was many years ago now. And it's been even longer since I've seen you. But your 48 years of marriage is remarkable and so are 13 grandchildren and 2 great-grandchildren. I hope they all bring you joy and consolation. My fondest memory of Uncle Dick was his cool Volkswagen Beetle! All of us riding in it was a treat and an adventure! That was the late 50s I think. Well, now mom's generation of Kildegaards is gone, as well as a few of us first cousins: Vera, Wayne, Siri, and my sister Ingrid/Inki. Please extend my greetings and sympathy to your family.*

*Always, Paula (Carr) Hoffman, Michigan*
