“ Oh Dick you will be missed. Such a big personality. That deep laugh. The way his eyes twinkled when he was up to something. I always knew when either he got on the phone with me or I was going to see him in person that he had already been brewing on his plan of attack - something to make my face turn red as well as hear Kelly say 'Dad- Stop!'. He enjoyed both outcomes. I loved every minute of it. Every time I hear a Jerry Jeff Walker song - I think of him and remember going with him, Katy, Kelly and Steve to see him sing. I think Dick even wore his cowboy hat! Dick - I will miss you. To Katy and the Kreutters - hugs to you all. And to my friend Kelly - Big squeeze to you - I love you and right there with you.
