“ I worked at Minnehaha Creek for about 13 years. They are some of the most wonderful memories of my life. All the camping trips, the finishing trips and even the day trips to places like Hudson or Afton along the Hudson or Red Wing and Maidan Rock. We were all like one close knit family and we ate together which made it even stronger. Rich, I just want to say to you that you were very instrumental in my life and not the other way around my good brother. We came with nothing and we are going to leave with nothing and the only thing you get to take with you is the love you left behind. So Rich, I just want to say, “I love you brother.” My daughter and I went to the Cathedral and lit a candle for you and said a prayer for your soul.

“ To Rich's family,

On behalf of my son, Jeffrey Blado, and myself, we want to express our deepest sympathies. Jeff has lived at Minnehaha Creek Group Home with Rich for 29 years....a huge part of their lives spent together.

“ I worked with Rich for around 8 years in the 90s and I am heartbroken about the news of his passing. We would bring him to my hometown fishing and camping and on trips canoeing. I would spend the summer at Mary T camp with him not to mention the many movies and restaurants he enjoyed he was always polite to my daughter Brittanni who is now 29 she also sends her love. You will be missed Rich
