“ *A Bliss of Love for Eternity*

*Hi Dick it is I, your brother Ryan! I need to let you know this and, in spirit you will know. So to you and your surviving family; My eyes drip water and my heart aches in love, thinking of my memories that I will hold tight - Forever. "Diamonds arise from the Earth and out of this soil of rough you may see. And now I see a 5-C. - Ry"*

*; It is the day before Christmas in the year of 2022. I have been out struggling and working a life. This year of 2022, I am amazed to live through. Please just use your imagination that I gave flowers. And the \$4.99 cards to send, No. They all have this sorrowful tone, I hold joy!*

*And yes; I was not able to make it to the event recognizing your life. You're alive in my mind and I will be sending a letter to Arnette including your children Tara, Meggin, and Kristian. I have so much more to express with words but not publicly.*

*Love - Ryan
