“ I'm uncle Joe, and unfortunately didn't get to spend too much time with Richard. I was living on the west coast and only got back to Minnesota on vacations. I did get to see and talk to Richard on my trip back last year, He was his normal self, loud and upset with his situation, but we did get to talk about his interests in racing and sports. I wish i would have been able to spend more time with him. May he rest in peace.
