“ *Moore Familyl was sad and surprised to hear of Dicks death, I did not even know he was sick.I am sorry I was not able to attend the visitation or services for Dick. Dick was a great guy,he was always direct and to the point. Dick was also a great engineer to work with. He will be missed in this world.Dave Odden SEH*

“ Dick was a kind, caring man. He made the world a better place for all of us in his 4 decades in the field of Civil Engineering. He saw to the building of assets to the community, and more importantly he saw to the needs of the people he served and of course his family and friends. He has left us, but he's left behind a great legacy.
