“ I was very sad to learn of Richard’s passing. Growing up he was part of our family. I have many happy memories of trips to cabins for fishing weekends, of campfires, and playing games. He loved to laugh and tell stories and was a lot of fun to be around. I know the past several years have been difficult as his health deteriorated and pray that he is now at peace. Love you and miss you, Richard!

My thoughts and prayers are with his family.

Although I have not seen Richard in our adult life, as children we played together with his sister Barb often. I have a lot of very fond memories of him. Wish I could have spent time with him as adults. My sympathy goes out to his sister Barb and his children and family members. God Bless his Sole. 🙏

Loved him like a brother. He was my cousin. Great Guy. Heart of Gold. Sadly his sister Barbara never told me ans she knew our bond.
