“ I had the pleasure of working with Rick for the past 20 some years. He was always a positive light when someone was having a bad day. His famous saying was "it's a great day to be me"! During our many travels across the globe, the thing he enjoyed talking about the most was his family.

He will be greatly missed by those who knew him and had the pleasure of working with him. My heart goes out to his lovely family during their time of sorrow. Heaven has welcomed a new angel!

God Bless

“ Rick's upbeat, positive personality will be missed. He was a wonderful guy to work with – his amazing software and process knowledge was surpassed only by his willingness to help and educate others.

Rick's love of family was apparent as well as his love of sports.

Thoughts and prayers will be with the Muenchow family – Rhonda, Teledyne IT
