“ I was surprised and saddened to hear of Dick's passing from our mutual friend, Larry McDowell. I consider Dick one of my close friends in High School in Bemidji. We spent many hours working on his friend's '28 Ford Roadster together. I had a good conversation with Dick at our reunion this past Sept. in Bemidji. I'm sure that he will be missed and remembered by his many friends and by his family. May he rest in peace. Chuck Choate
