“ My thoughts are with you and your family, Bob, with the passing of your brother. Many memories of the 'old days' - going to see the movie, 'Help!' - I was the 'tag along' to you boys - and many other times spent together with my brother Steven too. I'm sorry to learn of Rick's passing.

“ *My heart goes out to you, Bob and Pat, as you deal with the death of your brother(-in-law) MUCH too soon. May it be a consolation to you, Bob, that you were able to talk with Rick at length after your return from Venice. I'm keeping you in my thought.*
