“ I worked at TCF in internal audit from 1990 to 1992. I used to see Dick every day. After learning that we knew someone in common, I remember telling him and he was so happy to hear that. From that point on he always made a point to stop and say hi when passing. He was so friendly and patient! I still am in touch with a few friends from that job and I shared the news that he passed. They remember him as a friendly kind and reliable worker! A true inspiration. Blessings to his family from his long-ago TCF co-workers! May he rest in peace. 🙏🙏🙏
