“ I have so often thought of Dick over the years since our time in Scouts together. I have such wonderful memories of the BWCA canoe trips that we took - his unforgettable laughter, great attitude, and ready ear. He was a mentor to me in ways that he never knew. I have missed him much as the years passed and life took us in different directions. Thanks for all you did for us, Dick.

“ So sorry to hear of Dick's passing. He was terrific guy and we always looked forward to his winning smile every time we saw him. We can now look forward to that seeing that smile again when we finally walk the Streets of Gold!

“ A neighbor like no other who would do any thing to help & was always a good person who would listen & care about the concerns of others like they were his own. He was the best person, a wonderful person, & will sadly be missed for all those old times of a good laugh, a caring thought & a chance to see what could be done to maybe make things a little better in todays world. God Bless Marilyn & the whole family !
